**GUEST EDITOR OF THE SUPPLEMENT ISSUE OF
ACTA MEDICA SALINIANA
Associate Professor
Dr Nedima Kapidžić-Bašić, MD, PhD**

Dear colleagues,

It is our great honor and pleasure to welcome you to the 3rd Congress of Bosnia and Herzegovina Psychiatrists and 1st International Conference of ISPO Bosnia and Herzegovina, which takes place in Tuzla on October 27-30, 2010.

With an aim to exchange current scientific achievements, news, knowledge and experience, which will contribute to the improved quality of life of our patients and their reintegration in the community. Congresses traditionally gathers physicians in different specialties, physical therapists, occupational therapists, nurses, therapy of speech, somathotherapy, psychologists, and other health professionals.

We strongly believe that the Congress recommendations will provide constructive direction for standardization of clinical practice and adequate treatment and protection of human rights of land mine survivors whose number in B&H is significant.

Tuzla is the center of Tuzla Canton. It is a city of salt but also a cultural, university and economic center, well known for its multinational and multicultural tolerance and kind hospitality. We are looking forward to seeing all you in Tuzla and hoping that warm and lively atmosphere will make you leave our town with best memories and new experience.

We hope that the selection of topics we have suggested as well as the participation of eminent experts from country and abroad will be of interest to you, and that you will respond to our invitation, as we will do our best to meet your expectations.

Welcome to Tuzla.
